Internship Completion Acknowledgement

To whom it may concern,

This letter is to formally acknowledge and certify that Srija Bhattacharya has successfully completed her internship at Premiumdata360 (aka pd360) for a period of 2 weeks (December 8 through December 21, 2025).

During this period, she was involved in learning an AI based pdf to data conversion tool, Document Intelligence, provided by Microsoft and subsequently apply the tool in a real-life data conversion for our media Order processing product. This work involved training various pdf documents to generate a custom AI model for a specific document template and understanding of JSON data produced by the tool.

Srija worked 8 hours a day and demonstrated a strong work ethic, willingness to learn and professional attitude throughout the 2 weeks period. She consistently met deadlines and contributed valuable insights during our brainstorming sessions as well.

I appreciate her contributions made to our team at Premiumdata360 and wish Srija the very best in her future academic and professional endeavors.

Sincerely,

Sam Bhaumik, PhD | Chief Solutions Officer
