

INTERNSHIP COMPLETION LETTER

23rd May 2025

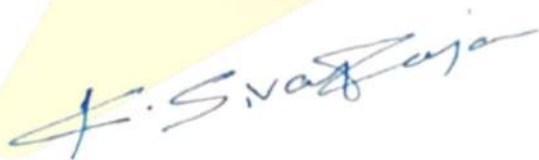

Dear **Srija Bhattacharya**,

We are pleased to confirm that you have completed your internship at Sunware Technologies from the period 24th April 2025 to 14th May 2025. During your internship, you were trained on Basic Supervised and unsupervised ML algorithms, Deep Learning ML Algorithms, Advanced Deep Learning Algorithms (Auto encoders) , Image Segmentation and instance Segmentation techniques, Forecasting using Time Series Data and Market Basket Data, Sound Files, Natural Language Processing, and working with Large Language Models with hands-on exposure to live projects.

This letter serves as an Internship Certificate and verifies that you have fulfilled the internship requirements. Please consider this letter a formal acknowledgment of your Internship experience with us.

We wish you the best in your future endeavors and trust that your internship experience here will contribute to your continued success.

Best Regards

Sivarajan K
CTO/Co-Founder
Sunware Technologies Private Limited
